

Services Survey

The City of El Paso Grants Services Division (GSD), formerly known as the Grants Office, has been restructured. The GSD's goal is to maximize grant writing resources, support, and grant writing capacity within City Departments. As a first step, we would like to initiate a services survey throughout Departments for a variety of grant writing support services. To pursue our goal, we are asking you to complete the following questionnaire. Your time and input is greatly appreciated.

This survey is only for informational purposes only.

What type of support would you need or consider your department would need from the Grants Services Division (GSD)?
